WMC ADOPTS ANGELS!

This year we have elected to adopt a couple of angels off the Junior Auxiliary Angel Tree.

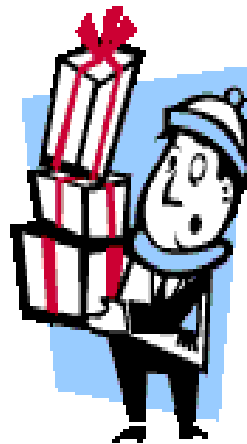

All employees are asked to consider participating. We will have an afternoon of gift wrapping the gifts for the children.

All employees will need to do is purchase an item that is needed for the child or see Brandi Krajewski, Marketing to donate money and allow someone to purchase the needed items.

The deadline to have ALL items purchased, wrapped and delivered is December 6, 2013.

Christmas, a time for sharing, showing your love and giving. Why not give to a child in our community who may not otherwise have the blessings that most children enjoy? Will you join WMC to help in making a difference in the life of a child in our community?

Call 803-4039 or Extension 1401 for more information.

What is an Angel Tree?

Junior Auxiliary hosts an Angel Tree each year at the Winston County Library. It is children from our community who are selected by school officials, pastors or other individuals who know the child has a need. Individuals can adopt the children and help make his or her Christmas one that they will never forget!

What can you do?

Decide if you want to donate money or purchase a toy, clothing item or candy. Call Brandi at Extension 1401 to get on the list. The gifts will be delivered to the Winston Baptist Association. You are welcomed to put your name on the gift if you wish.

WMC has a Facebook page. PLEASE take a moment and look us up, like our page and recommend us to your friends!
