WMC FIRST PLACE in Louisville Christmas Parade!

Winston Medical Center participated in the Noxapater and Louisville Christmas parade. The theme was "All American Christmas." The WMC float was "Duck the Halls" featuring the "all American family," with the faux Duck Dynasty crew. The float was adorned with duck decals, a Christmas tree and a lot of

camouflage. It was a fun night and as always the staff of Winston Medical Center pulled together to have a fun night of showing our support in our local community!

Relay for Life T-shirts!
The WMC Relay for Life team will be selling t-shirts! This year theme is "WINSTON COUNTY DOESN'T TOY AROUND WITH CANCER!"
The WMC Relay Committee elected to use the game, Candyland, as the WMC toy. T-shirts will be designed with a Candyland theme. The back will say: Cancer is NO Candyland! A candyland castle, characters from the game and the path will be on it with directions on how to get to THE CURE! If you would like to purchase a t-shirt please watch the time clock stations and Employee Communication Stations as we will be posting the design in the next few weeks to start taking orders!

Message from Jessica Henry, SW Intern

My name is Jessica Henry, and I am a senior Social Work student at Mississippi State University-Meridian Campus. I am very excited to have been accepted to do my internship at Winston Medical Center this semester! Winston Medical Center is a familiar place for me, as I was born here, and I spent quite a lot of time here after school watching my mother work as a ward clerk, EMT and eventually an RN. I want to personally thank the staff at WMC for their patience and guidance as I learn with you all, and for having me here. After graduation, I am hoping to obtain my first position as a LSW, and hopefully continue on to graduate school with the University of Alabama to pursue my MSW.

WMC HEARTBEATS!

These employees were given a "THUMP IT UP" card when recognized for doing something special! Will you get a "THUMP IT UP" card next time??

Congratulations!!!
